

Grand Forks Vet Center

We would like to inform you the Vet Center is coming to Grand Forks next week.

The new Vet Center Out-Station has been established at 300 Cherry Street in Grand Forks. This location is across from the Senior Center and known as “The Link” building.

They will provide readjustment counseling services to combat veterans, families and can also work with active duty service members requesting assistance.

May 31st will be the first day of operations and their hours of service will be 8:00 AM to 4:30 PM Monday through Friday.

Anyone requesting more information on this service can contact our office at 780-8296 or the Fargo Vet Center at 701-237-0942. We will announce their more permanent phone number as soon as it's established.

We are very proud to announce this worthy endeavor for our deserving veterans and please help spread the word!
