

Resource Auction - Exhibit "A"

Please list all additional units and any additional lien holders.

Please be specific in your listings, including information such as: Machine hours (engine and separator in the case if combines), mileage, front and rear tire size (if applicable - tractors, trucks, combines etc.) include serial numbers and vehicle identification numbers, all important attachments (for example 3-bar harrow, full run blockage monitor, etc.). Please list all important machine features (for example Cummins 425HP, 10 speed transmission, or walking tandems, wing gauge wheels, or rock trap, yield and moisture monitor, etc.).

The more we know and can list about your items, the better they will sell!
